### **I. Definition:**

This body shall be known as the Stanislaus Valley Groups of NA Area Service Committee (SVGNA ASC).

### **II. Boundaries:**

This committee shall serve the Stanislaus and Merced County groups of Narcotics Anonymous, and any other NA group that may choose to affiliate with this Area, subject to majority approval of this ASC. This committee shall be a member of the California Mid-State Regional Service Committee (CMSRSC).

### **III. Decorum Statement:**

SVGNA ASC meetings will be conducted according to these rules of order, adapted from "Robert's Rules of Order." This time-honored system for conducting business is the clearest way yet devised for getting a maximum amount of business done in a minimum amount of time, regardless of the degree of disagreement among the participants.

These rules are meant to be used as tools to help us make orderly collective decisions in a cooperative, respectful way in the spirit of our Twelve Concepts; please do not use them as weapons against one another. We encourage all participants to become familiar with these rules of order and conduct themselves accordingly.

Once the meeting is under way, only one matter will be before the committee at any one time and no other discussion is in order. Please respect the chairperson's right to be in control of the process of this meeting so that you can have maximum benefit of its content.

### **IV. Purpose:**

The purpose of this committee shall be to serve the individual groups of SVGNA. Our groups were created because we found that alone we could not “stop using drugs, lose the desire to use, and find a new way to live”. In the same way our groups have joined together to create a service structure, a cooperative effort designed to help them carry the message further than they could carry it separately. It has been developed to combine the strength of our groups to better carry the message by providing necessary services which usually cannot be provided by individual groups. These services are the cooperative effort of trusted servants receiving guidance from their respective groups.
