

Why Register?

Your convention registration is used to pay for the hotel and convention facilities, associated services, equipment, maintenance, printing of your registration packets, and administrative expenses.

We believe that once you understand that it is the income from your registration that makes this event possible, and that registration funds collected are used for the planning and implementation of present and future Portland Area Conventions, the reasons for registering become clear.

It is the support of each member's registration or donation that helps make our convention a success.

All main speaker meetings will be ASL interpreted. Designated seating for the hearing impaired and physically challenged will be available at all main speaker meetings.

* Please refer to program for ASL interpreted workshops.

Portland Area Convention of Narcotics Anonymous

PACNA IV
June 12th - 14th
2020

“Many of us did the same thing when we were new, so when we work with others we try not to do or say anything that will give them an excuse to continue using. We know that honesty and empathy are essential. Complete surrender is the key to recovery, and total abstinence is the only thing that has ever worked for us. In our experience, no addict who has completely surrendered to this program has ever failed to find recovery.”
